Ideas for EGU 2012

Skeleton programme: conveners of EGU2011 will be requested to confirm their wish to continue with the session (May-June)

New sessions are welcome in July-August

“Golden rules for conveners”

- 1) Before submitting new session please study available sessions if you can join them or extend their scope
- 2) Conveners should communicate with respective officer and president
- 3) Conveners are responsible for SUPPORT evaluation
- 4) Conveners must finish SOI and II on due time
- 5) Organizing a session conveners should keep in mind the ratio of orals and posters and DO NOT promise particular presentation type to any contributor (for smaller session the ratio is shifted to posters)
- 6) If session did not get enough contributions for oral block, please consider merging
- 7) Conveners nominate the judges for OSP contest
- 8) Be active in preparing session highlights and nominating medalists, providing feedback and use of social media
